Hi! My name is Mackenzie, and I am a Registered Nurse with over 10 years of experience working in healthcare. With a background rooted in a passion for healthcare, my focus is on providing diligent patient care. Sequoia offers an opportunity for me to apply my skills and contribute to a compassionate healthcare team. My goal is to build meaningful connections with patients, support their health journeys, and continue to develop professionally in this unique environment.

In my personal time, I love spending time with my two children and my husband. You can often find us camping at our happy place in Door County.
