Hello, I'm Traci! I'm a dedicated Registered Nurse with over 35 years of experience in healthcare, committed to providing exceptional patient care. Throughout my career, I've had the privilege of working across various healthcare settings, gaining extensive expertise in gerontology, orthopedics, oncology, and behavioral health.

Helping others is my passion. I value building meaningful relationships with my patients while striving to enhance their experience and improve healthcare outcomes.

In addition to my professional life, I'm passionate about lifelong learning and making lasting moments. I enjoy traveling, reading, gardening, and cherishing time with my children, grandchildren, and all others around me.
