With over 15 years of experience in healthcare, Wendy has dedicated her career to providing exceptional care and support to patients and their families. Her deep compassion and empathetic nature create a calming environment for those she works with to feel well-cared for and comfortable. Wendy's diverse background spans oncology, IV therapy, trauma, surgical care, and hospice, showcasing her versatility and commitment to improving the lives of others. She is known for going the extra mile to build meaningful and trusting relationships with her patients, ensuring that every individual feels seen, heard, and supported throughout their healthcare journey.

On her days off you will most likely find Wendy with her husband cheering on one of their four daughters at various sporting events. If there's a quiet night she enjoys working on puzzles, a hot cup of tea and great conversation.
