Leanna Munoz brings 20 years of dedicated service in healthcare, with 15 years specifically devoted to her role as a Family Nurse Practitioner. She is entrusted with the care of the Eau Claire community and its surrounding areas, where she has made a lasting impact through her commitment to patient well-being and comprehensive healthcare practices.

Leanna's passion lies in providing compassionate & high quality healthcare services. She believes in the power of effective teamwork and collaboration, always striving to ensure that patient interests remain at the forefront of every decision and treatment plan.

Outside of her professional responsibilities, Leanna finds joy in spending cherished moments with her spouse and four children. Their shared love for travel and exploration fuels their adventurous spirit, always eagerly planning their next exciting journey. Leanna's dedication to her patients, coupled with her zest for life and family, makes her a valued healthcare provider and community advocate.
