

Assisted Living Facilities Deserve Safe, Simple Waste Solutions

Caring for residents means managing more than daily care - it also means safely handling sharps, medications, batteries, confidential records, and other regulated waste streams.

At LRI, we provide comprehensive environmental solutions designed to help assisted living facilities maintain compliance, protect residents and staff, and simplify waste management.

Our Solutions Include:

- ✓ Medical Waste Mail-Back Kits
- ✓ Regulated Medical Waste Disposal
- ✓ Pharmaceutical Waste Management
- ✓ Hazardous Waste
- ✓ Secure Document Destruction
- ✓ Universal Waste Recycling (Batteries, Lamps & Electronics)

Convenient Medical Waste Mail-Back Kits

Perfect for assisted living facilities that generate smaller quantities of medical waste, our prepaid mailback kits provide a simple, compliant solution for disposing of sharps and other regulated medical waste. No scheduled pickups. Just safe, secure disposal when you need it.
