SEQUOIA JOB DESCRIPTIONS

Nurse Practitioner

SEQUOIA
Integrative Medical Services

Nurse Practitioners provide general and preventative care, conduct check-ups, treat illnesses, order tests, and prescribe medication for children and adults. A nurse practitioner helps with all aspects of patient care, including diagnosis, treatments, and consultations. They work in both inpatient and outpatient situations and can perform independently or as part of a treatment team. Nurse Practitioners perform the important task of educating patients about preventative care and prescribed treatments. They serve as a patient's primary healthcare provider.

JOB TYPE: Full-time (FT), OR Part-time (PT), Per diem, travel nursing

PAY: Salaried for FT, OR $520-550 per day (per diem)

EXPECTED HOURS: Full-time, OR 10-30 per week

BENEFITS: Varies based on FT or Per diem; flexible schedule, health insurance stipend, travel reimbursement (gas card), PTO

MEDICAL SPECIALTY: Primary Care, Psychiatry

ABILITY TO RELOCATE: Relocate before starting work

WORK LOCATION: In-person

JOB RESPONSIBILITIES

Providers will perform thorough, complete, and comprehensive patient history and physical exams. This will be in accordance with the format agreed upon by providers and the facility. This is a flexible-schedule, hybrid position offering both onsite and telemedicine services. This is an on-call position on scheduled days, and the provider will only be necessary for the medical clearance portion of the patient's stay at the behavioral health location and will collaborate with psych primary staff.
